3. **UNIFORM POLICY**

It is the wish of the parents of Xavier School that there be a school uniform and therefore the basic principle is that **BECAUSE WE HAVE A UNIFORM, THEN IT OUGHT TO BE WORN WELL**.

- Attention to personal appearance can help promote a sense of self worth and give expression to it.
- The uniform allows students considerable choice as to the most appropriate dress for their courses and activities. Students are expected to respect this freedom by wearing the full uniform.
- All students share in the responsibility to maintain the school’s reputation by their wearing of correct uniform.
- If a student has a legitimate reason for not being able to wear any item of uniform, a note is required from a parent or guardian. The note is given to the House Coordinator and a formal exemption is given for the time needed to meet the uniform requirements. Students who do not produce a note are in breach of school policy and must accept the consequences of their actions. See Xavier High School Student Management Policy, Section 2, iii:

  “Students are expected to wear correct school uniform while at school or while engaged in activities related to school, unless directed otherwise.”
