The school tuition fee is \$3,900 per annum per student for all years up to and including Year 12. A discount applies for the second child at the school. Any further children at the school are subject to a fee of \$950 to cover the levy paid to the Catholic Schools Office and whole-school and/or whole year level activities plus provision of technology. The tuition fee will be charged on a per term basis (refer first column in table below)

School fees have increased this year to reflect the school's exposure to increased operating costs. The fee level is always assessed with the impact on our school community in mind, and to ensure we provide our students with the appropriate facilities for a quality education. Levy for 3rd, 4th & 5th child remain unchanged from previous school year.

The tuition fee covers the provision of a student device (including cost of operating system/IT support & case), technology, textbooks, photocopying, subject fees and local excursions, local sport and accident insurance. Overnight accommodation/meals involved with representative sporting events and excursions outside the local area are not covered. Suggested payment schedules as follows;

On acceptance of a place at Xavier High School, parents will be asked to pay \$200 for their daughter/son. Families who accept a position, but do not take up their place will forfeit this fee. Upon confirmation of your child's placement, this fee will contribute to the partial cost of a computer device for your son/daughter to use in the classroom.
