Getting To and From School

Bikes - Bike racks are provided near the Fallon St Gate. Bikes & helmets should be locked for the duration of the school day.

Buses - Please go to <https://apps.transport.nsw.gov.au/ssts/#/howToApply> to apply for a bus pass for your child

The **pick-up and drop-off** of students is recommended to use Fallon Street (paying attention to the parking signs as parking authorities conduct random checks from time to time). It is not recommended to use Currawong Street or Curlew Crescent. Buses currently use these two streets and as such the congestion in the streets has the potential to cause a significant accident along with restricting access for residents to their own properties.

Please ensure you do not park over any of the car park driveway as this blocks staff & visitors to the school from coming or going.

Other Information

Library Resource Centre - Open 8am-4pm daily and students are welcome to use the this space during recess & lunch also

Lost Property - Is stored in the office, if your child is missing something please send them to the office to check the lost property tub.

Student Lockers

All students have their own locker in which they keep their bag, books and other belongings. A lock will need to be purchased by you to keep the locker secure. Students are expected to keep their locker neat and tidy. The locker areas are equipped with closed circuit video surveillance.

Mobile Phones

Mobile phones may be used at recess and lunch times and in the classroom at the direction of the teacher. They should be turned off at all other times (this includes during study lessons). Inappropriate use of a mobile phone will result in its confiscation.

- Students with mobile phones may not engage in personal attacks, harass another person or post private information about another person using SMS messages, taking / sending photos or objectionable images, and phone calls. Students using mobile phones to bully other students will face disciplinary actions as sanctioned by the Principal (this may include confiscation of the phone)
