Compass App

While the app is not essential, it offers the convenience of having simplified portal information at your fingertips.

Where Can I Get It?

For [Apple Devices](#), click on the image below, or this link

<https://itunes.apple.com/au/app/compass-school-manager/id778415974?mt=8>

Similarly, for [Android Devices](#) click the image or this link

https://play.google.com/store/apps/details?id=com.jdlf.compass&hl=en_AU

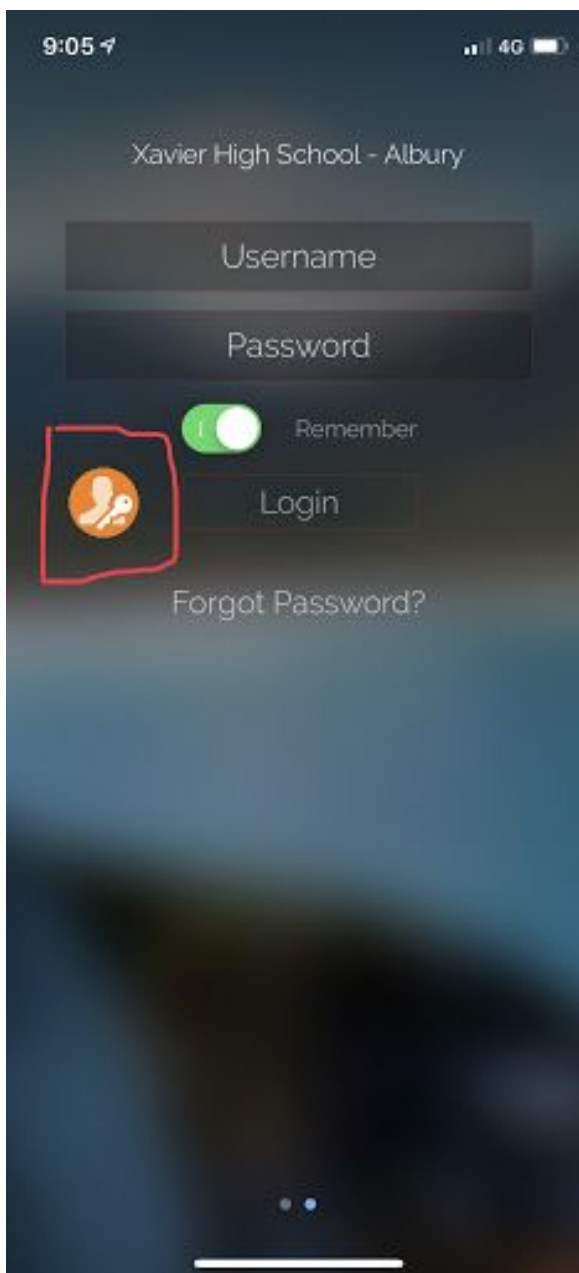

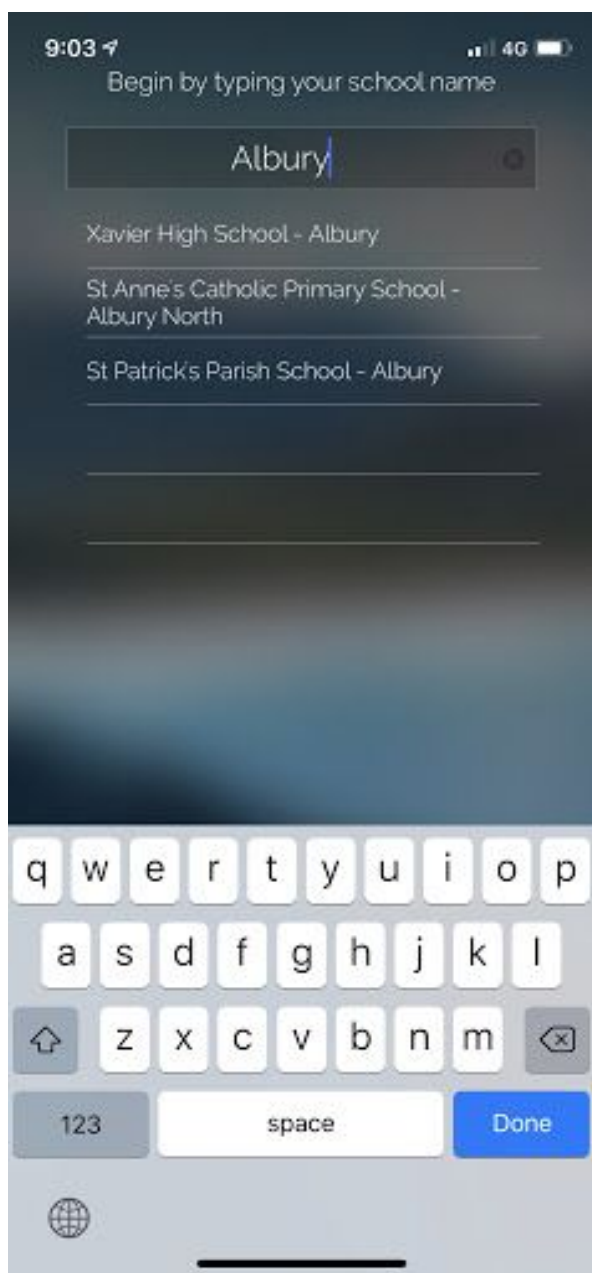

In both the App Store and Google Play store you can also search for Compass School Manager. It looks like the below image.

How to Log In

When opening the Compass app for the first time you will need to add Xavier High School to your app. In order to do this, it is easiest to search for Albury and then choose Xavier High School - Albury from the list, as shown below. Once you have selected Xavier, like the website, you tap on the Orange logo. This will then take you to the CEnet page to log in. Use your normal username and password, making sure you choose Wagga Wagga in the Diocese dropdown box.

What Does It Look Like?

The app home page gives you quick access to see your daily schedule, including any changes. Morning Announcements will also be found here.
